OUR STORY (so far...)

Popcorn Kitchen has been making best-in-class popcorn since 2012, and since then we've created a range of gourmet Popcorn recipes, and all sorts of fantastic fun gift and variety packs. We focus on flavours that are authentic and tasty, simple and bold – never boring, and never too fussy.

In fact, we've become Corn-Obsessed! Our popcorn doesn't use the traditional 'butterfly' corn that makes fragile, breakable popcorn resulting in lots of small bits at the bottom of the bag. We only use gourmet 'Mushroom' corn which pops into big beautiful balls, that complement our flavours and are always light and puffy to eat. We know it's a bit more expensive, but we believe it's worth it. And our bold, nostalgic flavours excite even the most demanding taste buds, with flavours inspired by classic treats like Lemon Drizzle, Chocolate Brownie, Cherry Bakewell and Blueberry Muffin, or timeless staples such as Sweet & Salt, Salted Caramel and Chocolate Mint.

Then in 2023, our owner Louise discovered a new Corn Obsession – the Crunch Corn that she found in a bar in Seville. Made with Peruvian Giant 'Choclo' corn, roasted to perfection and generously seasoned, she knew she had to share this salty savoury snack with her British customers. It took over 2 years of research to find the right suppliers and to develop the simple, punchy flavours that complement the whopping big pieces of crunchy corn.

Our Popcorn and Crunch Corn snacks are available in packs that cover every imaginable occasion, from 'Wow-factor' gifts like our Giant Bottles and Home Poppin Kits, and generous sharing bags, to me-time treat packs. We're bringing popcorn happiness and crunchy joy to everyone who appreciates great snacks.
